(2) & (5) If amending a year prior to 1993, please show your Federal Tax Refund and your Federal Tax Deduction separately.

(11a) & (11b) If business ratio is 100%, fill in lines 11a and 11b, and skip lines 13 and 14.

(12) **Percentage:** Divide line 11a by line 11b and enter the result carried to six places.

(15) **Income Before Net Operating Loss:** If the corporation's business is entirely within Iowa, enter the amount of line 8. Otherwise, add lines 13 and 14 and enter the sum.

(18) **Computed Tax:** Multiply line 17 by the following if it is:

Under \$25,000:	6%
\$25,000 to \$100,000:	8% minus \$500
\$100,000 to \$250,000:	10% minus \$2,500
Over \$250,000:	12% minus \$7,500

(19) **Minimum Tax:** Attach a copy of the corporation's original IA 4626 and revised IA4626.

(22) **Payments:** Include tax amount only, i.e. estimates, tax paid with return, tax paid on billing (excludes penalty and interest).

(26a) **Underpayment of Estimated Tax Penalty:** Complete and attach form IA 2220 if not included on original return or if correcting an error, only enter the amount of the changes to the 2220 penalty.

(26b) **Failure to Timely File a Return:** A penalty of 10% will be added to the tax due for failure to timely file a return if the return is filed after the original due date of the return and if at least 90% of the correct amount of tax is not paid by the original due date of the return. If due on the original return, the penalty will be applied to the recomputed tax.

Failure to Timely Pay the Tax Due or Penalty for Audit Deficiency: A penalty of 5% will be added to tax due if at least 90% of the correct amount of tax due is not paid by the original due date of the return.

Filing an amended return may result in less than 90% of the tax due being paid by the due date. However, if an amended return is filed prior to contact by the Department and tax and interest paid, no penalty will be assessed. Also no penalty will be assessed if written notification is provided to the Department while a Federal audit is in progress, and an amended return is filed within 60 days of final disposition of the Federal audit.

When the failure to file penalty and the failure to pay penalty are both applicable, only the 10% penalty will be charged. Penalties can only be waived under limited circumstances.

(27) **Interest:** Interest accrues on any unpaid tax from the original due date of the return. Interest will be computed by the Department for any overpayment of tax.

(30) **Credit to Next Period's Estimated Tax:** Can only be changed after the due date of tax returns beginning on or after January 1, 1994. The change must be requested by the last day of the subsequent tax year.
